OUR COMPANY

K&K Industries was established in 1998 and is a wholly Australian owned and operated business providing commercial fit out services nationally.

Hector Ktori the Managing Director and his team of highly skilled staff are committed to meeting client needs. Their detailed approach and dedication to high service standards has afforded K&K Industries the opportunity to work with some of Australia's best known brands across food retail, fashion, hospitality and corporate sectors.

DEDICATED PROJECT MANAGER

A dedicated project manager is provided to all projects to ensure that clients always have a key contact person there to help. Personalised support is an important part of the service that K&K offers, helping ensure that clients have a great fit out experience that delivers on their brand promise.

WHY K&K INDUSTRIES?

K&K Industries are committed to delivering high quality fit outs, their highly skilled, professional team will be attentive to your requirements throughout the entire planning, build and post fit out process.

K&K Industries partner with their clients to help them create a customer touch point and brand experience that delivers on their vision. K&K Industries are experts in store fit outs and branding. K&K take care of the entire process from initial concept to the final furnishings and work closely with clients, using architect or designers plans to bring concepts to life.

SOME OF OUR CLIENTS

OUR PROCESS

FROM THE INITIAL BRIEFING TO POST FIT OUT SUPPORT WE WILL BE WITH YOU EVERY STEP OF THE WAY.

BRIEFING & ANALYSIS

Our project managers work with you based on your concept and manufacturing drawings to get a deep understanding of your project requirements.

AWARD WINNING PROJECT QUALITY

K&K Industries have achieved the National Fit Out of the Year Award from the Australian Shop & Office Fitting Industry Association and continue to have long-standing relationships with many of Australia's leading brands.

MANUFACTURING & CUSTOM NEEDS

Our highly skilled team partner with quality suppliers to ensure that all your manufacturing and custom joinery needs are delivered and an optimal result is achieved.

PROJECT MANAGEMENT & INSTALLATION

Our experienced team of trades people and your dedicated project manager work with you to ensure that timelines and project expectations are met. Your project manager is committed to monitoring and communicating project status and ensuring that all site inspections are completed and documentation is in order.
